FIVE FOUNDERS OFF THE GRILL

WE ARE PROUD SUPPORTERS OF QUEENSLAND BEEF

Five Founders has been producing Australian beef for over 100 years carefully looking after their cattle for the whole life cycle. Five founders are the first Australian beef producers to be carbon neutral. Their care and attention to the livestock is second to none, with producing a breed of Angus cross shorthorn for our climate.

With an emphasis on quality, sustainability, nature refuge and rejuvenation, Five Founders are at the for front of the Australian beef industry.
