The Pine Inn is a family friendly, suburban hotel and function centre, in Concord. We have 2 bars, a restaurant, famous function centre boasting free room hire and free security, accommodation and plenty of entertainment making it the perfect venue for a Christmas party.

Christmas is almost here. It's a great time to get together with your staff and have a great night out and reward them for a year of hard work. The Pine Inn is a local business that would love to cater for your function, and we believe that we can deliver you a fantastic night.

A lot of people want something a little different for their end of year parties. We can provide entertainment for the night ranging from trivia nights and poker nights, to sumo suit wrestling or some great music from our brand new digital jukeboxes connected to massive plasma screens.

We understand that in the current economic times, budgets are tight. We offer free room hire and free security for your functions, and as you will see in the restaurant section on this booklet, we can cater for both food and beverage at prices far below our competition.

Our award winning restaurant can cater for your function, providing a full array of meals. Our restaurant is run by No Name Italian Restaurants, who have been in business for close to 50 years, and provide a very appealing menu including not only Italian food, but a great variety for Australian cuisine as well.
