Some handy tips to keep in mind when you are organising a function are that:-

1. A group of men tend to want, on average, slightly more than the top end of our recommend quantity range.
2. A group of women or Children tend to require slightly less than and the bottom end or our recommended quantity range may be sufficient.
3. Our Recommendation as to your requirements for your function are based on a balanced mix of men, women and children.
4. If you do not want to run the risk of running out of food you may consider adding 10 percent to our recommended quantities.
5. Please Note the expanded menu.

***Important Notice** - Our hot foods are best consumed within 20 minutes after collection from our store. The shorter the interval between time of purchase and time of consumption, the better the quality of the food, if you do not have the facility to keep the food hot, we recommend cold chicken.

Please keep all cold foods in the refrigerator and do not refrigerate if it has been stored in ambient temperature for extended period of time, especially in summer

Finger Food

If you want to give your guests chicken nuggets , chippies croquettes or tenders keep in mind that these offerings are what little children tend to take as they find it easy to handle with their little hands and because they are boneless.

For planning purposes: 10 chippies
 4 nuggets
 1.5 tender per child
 1 croquette

Breast Nuggets (20)

Tenders

Chicken Croquette

A traditional Dutch recipe, our chicken croquettes are an ideal finger food.

Awesome Chips

13mm Crinkle cut chips and being thicker holds less oil than shoestring chips. Our chips are claimed to be the best in Canberra - if not the world by our customers. We recommend that cold Potato Salad would be a safer alternative.

Family* or Large

* For planning purposes a family chips can be enough for a group of 1 man, 1 woman and 2 small children
