How we'll safely serve you...

Once seated, please make your choices and our staff will take your order at the table.

When your orders are ready, we will serve to you on a tray. We will then step back and invite you to help yourself.

We will check back to make sure everything else is OK but if at any point you need assistance, please stay seated and we'll come to you.

Once you are finished please stay seated and our staff will accompany you to the payment point. We ask that those who are paying wait at the till point and all others wait outside.

Finally, please pay with contactless or card payments where possible.

Keeping You Safe

We have reduced our capacity and amended our layout to ensure appropriate spacing between tables.

We request that all customers sanitise their hands thoroughly before entering the café.

We thoroughly clean each table in between use and we are enhancing our cleaning of other frequently touched surfaces.
