## **What is a funny onion and what's it all about?**

As you may well know the expression 'he's a funny onion' is about a person being a bit different and unusual. What we do as a restaurant is something unusual too. We try to do everything that little bit different, special and hopefully better!

Whether you are celebrating a special occasion, wanting a great meal amongst family and friends or taking part in our ever popular pub quiz, we are sure we won't disappoint!

## **About us**

We are a local independent bar and restaurant which is a family run business, born and bred in Bridlington.

We are passionate about great local food, and we are certain that you are too, so we want to provide you with a service that we believe all our customers deserve. That is what is important to us!

## **Our food**

Our food is locally sourced where possible. All our steaks and beef are hand picked from the finest Yorkshire herds, butchered and hung to mature locally in Bridlington by the reputable butchers, Smiths.

Nearly all our menu is home made. Not 'home cooked' from a packet but made from scratch – by hand!

Even the sauces are not packet powders or jars – they are lovingly created by our chefs each week.

Some of our ingredients costs up to THREE times the price of cheap alternatives but we always use fresh, local and quality. As an example most restaurants would use long lasting oils and hydrogenated fats. However, we use quality oils, beef dripping and olive oils, we always go for quality - not the cheapest, easiest or longer lasting!

Whilst you pay more, you do get what you pay for and we think we offer good value for the extra quality you receive.

## **Want to know more?**

If you want to know more – join our facebook page or mailing list and you can see more about us, what we do, how we do it and keep up to date with special events and offers!

## **Feedback – Have your say!**

If you love what we do or we haven't delivered to your expectations – let us know. Anything that's good or bad, just fill in our feedback form (available at the bar) and drop it in our feedback boxes. We read all the comments each week and try to always take on ideas to improve our service to you!

## **Keep it local, support independent Bridlington businesses and help the town!**

By supporting local companies like ours, which also use other local suppliers, it helps keep employment and money within Bridlington. Large pub and restaurant chains drain money from the town so help support Bridlington and use your local independents!

## **Did you know: We now also do functions and events?**

We have a large, in excess of 1000 sq ft, dedicated upstairs function room where we can organise and put on any type of event, small or large. Whether it's a wedding, birthday party, christening, business meeting or get-together we have packages suitable for any occasion!

Ask at the bar for a free information pack.
